Dear Kathleen Dennehy,

My name is Derek Cryer. I am presently confined at Shirley Medium where I serve my duties as Secretary on the Native American Spiritual Awareness Council (NASAC):

Beginning in the first week of February 2004, and up through this very correspondence, myself and the other Members of N.A.S.A.C. have been continuously Harrassed and Discriminated against by Correction Officials here at Shirley Medium who Regularly acts Above and Beyond their Professional Title's Duties.

"Everyone" has been informed, and still the Harrassment and Discrimination continues. "Everyone" meaning and beginning with a Carbon Copy sent to your office, The Day and Night Shift Sargeants, The inner Perimeter Security (IPS), the Director of Treatment, The Grievance Officer, The Acting Superintendent, Both the Catholic and Protestant Chaplains, and even Mental Health.

The Native American Spiritual Awareness Council here at Shirley Medium is on the verge of doing Wonderful things, but at every turn there Miscellaneous Road-blocks placed in our way.

My request of you is a shot in the dark, but if there's any possibility, it would be a Great Pleasure and Honor if you would set aside just One (1) day to come and Bless Us with a Visit to see and hear for yourself of the problems that exist to Native American Spiritual Practitioners here at Shirley Medium, and to more importantly Hear and Listen to our Ideas that Teaches Self-Empowerment and leads us to a better way of Life, and or at the very least, gives us another Alternative to the Life that most us will return to once released. One (1) day is all We ask. Aho!

Sincerely yours,

Derek M. Cryer
